

Dear Valued Supplier,

Please be advised that TRIUMPH has partnered with Supplier Soft to assist in gathering data from TRIUMPH's supply base to support aerospace and government compliance requirements. During the year, you may receive an email with the display name 'Triumph Group SCM Compliance' with an originator email address of triumphgroup@suppliersoft.com.

Please do not disregard this email. Email(s) will contain a survey required for completion to support government requirements such as: Conflict Minerals; Controlled Unclassified Information (CUI); and Small Business Reporting (SBR)/Annual Master Certification (AMC).

Should you have any questions regarding this communication, please contact your TRIUMPH Buyer.

We thank you in advance for your continued support ensuring compliance and delivery of quality products.

Best Regards,
